VISION AND MISSION

100 Years old temple of Sri Lakshmi Narasimha Swamy is being renovated in Godavarru Village with Precious **BLACK STONE (KRISHNA SILA)**. It will be built as per the principles of Agama Shastra and Sanatana Dharma vibrant with the power of mantras. It is a great opportunity to all devotees to participate in the construction of this unique temple.

WHY PRESERVE AND RENOVATE?

Protecting Heritage: Preserve the architectural and cultural heritage of our temple, safeguarding it from the passage of time.

Ensuring Accessibility: Enhance facilities and infrastructure to ensure that our temple remains accessible to all members of our community.

Fostering Connection: Strengthen the bonds of community and spirituality by creating a welcoming space for worship, reflection and celebration.

Empowering Future Generations: Provide our children and grandchildren with a sacred space where they can connect with their roots and nurture their faith.
